< Introduction >

It is our great pleasure to invite you to participate in Oceans'18 MTS/IEEE Kobe / Techno-Ocean 2018 (OTO'18) which will be held May 28-31, 2018 in Kobe, Japan. After very successful joint conferences (OTO) in 2004 and 2008, the event is coming back to Kobe in 2018. OTO'18 will present a range of technical sessions covering all aspects of oceans science, technology and engineering, including pre-conference tutorials, plenary sessions with world renowned guest speakers, and selected oral presentations; together with an associated exhibition featuring companies and institutions covering every oceanic category. For more program information, please visit the website : <http://www.oceans18mtsieeekobe.org/>
